Professional Development Session

## How to Make Goals Turn to Gold

The National Finance Institute

This professional development session must be combined with others to create a customised half-day session.

### **What does the course cover?**

“Behind every successful mortgage broker is a consistent pattern of goal setting and goal achieving. Concrete goals have the ability to inspire us to achieve success beyond what we thought was capable.

Have you ever wondered why some people jump out of bed in the morning with a spark? Without exception, these people are driven by goals. The goal of this session is to help you achieve yours.

By the end of this two hour session, you will know how to set meaningful goals and use them to motivate you on a daily basis.

- How to gain the practical skills to help you achieve your goals
- How to find out what you want and why
- How to make a goal action plan
- How to become a goal setting, self-motivated mortgage superstar.

### **Are there any CPD points available for this session?**

This session has been designed to contribute toward the Mortgage Industry Association of Australia's (MIAA) continuing professional development (CPD) requirements. The CPD points allocated, for each session may vary according to the level of technical knowledge involved. As an indication, mortgage industry related educational workshops are allocated 3 points per day or 1.5 points per session. However, these courses shouldn't be considered a 'point accumulation exercise', but rather a means to create a competitive edge over your rivals.

### **What happens if I attend, but don't gain any benefit?**

If you attend an NFI professional development course and for any reason it does not prove to be an experience that can help you establish, or greatly improve, your career as a mortgage professional, you will receive a 100% refund upon request at the completion of the course. We make this guarantee because we believe 100% in the results our courses deliver.
