Professional Development Session

How to Manage Remote Mortgage Teams

The National Finance Institute

This professional development session must be combined with others to create a customised half-day session.

What does the course cover?

Do you manage a geographically sparse team of mortgage professionals? If so, this 3 hour session is for you.

The tyranny of distance can make communication difficult to say the least. How can you motivate your team without getting face-to-face? Do you find yourself somewhat 'paranoid' about the productivity of your mortgage consultants in your absence?

This 3 hour session will provide a range of specific strategies for managing a remote team of mortgage consultants.

- How to develop compelling team goals
- Discover 5 communication techniques that work and when to use each one
- How to monitor the results of all your remote team members
- Learn how to reduce the paranoia.

Are there any CPD points available for this session?

This session has been designed to contribute toward the Mortgage Industry Association of Australia's (MIAA) continuing professional development (CPD) requirements. The CPD points allocated, for each session may vary according to the level of technical knowledge involved. As an indication, mortgage industry related educational workshops are allocated 3 points per day or 1.5 points per session. However, these courses shouldn't be considered a 'point accumulation exercise', but rather a means to create a competitive edge over your rivals.

What happens if I attend, but don't gain any benefit?

If you attend an NFI professional development course and for any reason it does not prove to be an experience that can help you establish, or greatly improve, your career as a mortgage professional, you will receive a 100% refund upon request at the completion of the course. We make this guarantee because we believe 100% in the results our courses deliver.
