## Certificate IV in Credit Management

FNS40120

The National Finance Institute

National Provider Number: 31203

### **What does the course cover?**

This qualification is an entry level qualification designed to provide you with the skills and knowledge needed to fill a variety of credit related roles across a range of industry sectors. Successful completion of this qualification also meets the minimum education standard for non-mortgage responsible managers and credit representatives as outlined ASIC RG206 and as proposed under the 2021 “debt management services” changes to the NCCP Act.

This is the industry recommended pathway for persons typically employed (or wishing to be employed) in entry level employment in job roles including: Credit officer / Collection officer / Loan officer / Reconciliation officer / Customer service officer / Credit manager / Debt manager / Credit team leader / Leasing officer

Employers may include banks, credit unions, building societies, mortgage managers, leasing companies, short term loan companies, rental franchises, car leasing departments, etc. Trainees undertaking this course may wish to use it as part of their pathway towards the higher qualification of the Diploma of Financial Services (Banking).

12 Units must be achieved: 9 core units (compulsory) plus 3 elective units (can choose any 3 listed).

For those acquiring this qualification through Credit Transfer (ie. have already completed selected units with another RTO), or RPL, guides state that 2 elective units should be from the elective units listed below and 1 from this list or any other qualification at Certificate III, IV or Diploma level. For students commencing the full course, our suggestions are indicated in blue below but you can choose any 3.
