RECOGNITION OF PRIOR LEARNING (RPL)

What is RPL

The National Finance Institute recognises the skills and knowledge gained through work experience and/or past study. With applicants' diverse backgrounds, sufficient experience and expertise may have been attained in the industry to exempt applicants from standard course requirements. The certificate issued by NFI is a nationally recognised qualification and accepted by industry bodies. Applicants for RPL must provide evidence that demonstrates competency in each chosen unit.

Which Qualification

Please tick below to acknowledge this is the qualification you are seeking to attain:

- FNS40122 Certificate IV in Credit Management**

RPL Procedure

Your submission should include the following items. It is envisaged that applicants will have a minimum of two (2) years' experience in their credit role to qualify for RPL

Once assembled, please tick below to confirm you have included these items.

Peer's requirements:

- Complete the **Competency Statement/Checklist** in conjunction with your chosen third party
- Provide a **detailed CV of the third party** as evidence of their qualification to sign off the application

Applicant's requirements:

- Provide a **detailed CV** for yourself, demonstrating your experience in the industry. This CV must be verified by a peer or superior. Highlight any relevant qualifications you have achieved or courses you have completed. Evidence by way of Statements or Transcripts should be included.
- Include a **Portfolio** containing evidence of work history, training, skills and knowledge which will be assessed against the competencies as outlined in the Checklist. This portfolio may be a supplement to your CV and evidence may include other course certificates/qualifications, accreditations, marketing material, personal references, etc.
- Submit a **Case Study** of one of your settled client applications (if you have approval authorities) including your file notes. If you are involved in collections provide an outline of the process you would follow in a typical collections matter. Your case study should exclude your client's supporting docs and please ensure that information that is confidential to your client is "blacked out" eg. client name, address, contact details, etc. If you are in a back-office role that does not involve loan approval or collection work please provide a **detailed job description**.
- Create a **document** summarising your understanding of each of the 10 unit topics you are applying for under RPL and how you currently and/or previously have demonstrated competence in these topics in your workplace. For example, Unit FNSINC411 - outline the responsibilities in your own job role; how you apply policies, standards, codes of practice and ethical requirements and how these are relevant; how you would provide financial services to clients; how stakeholder expectations are met; and how you comply with legislative and regulatory requirements.
- Please **complete the pages 1 to 5** of this document including the payment authorisation.

The Assessment Process

The documentation submitted by the applicant to NFI will be assessed against each unit of competency within the qualification. The evidence submitted will be assessed using the following criteria:

- Is the applicant's experience and study relevant to the qualification?
- Is the applicant's knowledge and skill current?
- Has the applicant's CV and signee's CV been verified as true and correct?
- Are the skills and the knowledge held by the applicant appropriate to the level of competency for which the applicant is applying?

Phone Interview - A phone interview will also form part of the assessment process. The assessor will interview the applicant to determine the level of knowledge and practical skills held. With the permission of the applicant, a discussion may also be required with the nominated referee to verify competencies. During the phone interview applicants will have the opportunity to provide additional supporting evidence if required.

Additional Study – In some instances, an applicant may have commenced their role many years ago and may not have evidence of currency. Additional training may be requested to establish currency and to meet the additional competency requirements of their RPL application.

An applicant may also choose to select units they wish to study, rather than RPL or Credit Transfer. Credit Transfer is prior study of a unit. An RPL application can be a combination of RPL and Credit Transfer and study of a unit.

The NFI assessor will make one of three decisions:

- Accept the application and grant recognition for the qualification
- Request further information from the applicant as a decision was unable to be made on the evidence provided in the initial application and phone interview
- Recommend that an assessment or additional training is undertaken to achieve one or more units of competence. The applicant will then be advised which subjects are recommended.

If RPL is not approved, any fee already paid for the RPL application may be used towards study of the qualification for which the applicant had sought RPL. Following the outcome, the \$695 fee payable for the RPL review is non-refundable if the applicant determines they no longer wish to pursue the full qualification. A Statement of Attainment would be issued for units that were approved through RPL.

Timing and Outcome

The phone interview will occur within 7 to 10 business days and the assessor's decision within 7 to 14 business days. If the applicant is granted RPL for their qualification an original certificate and the transcript of competencies will be mailed within 5 days of approval finalisation.

The final outcome will be determined within 3 weeks of submission. Documentation will not be returned to the applicant as it is required to be retained for internal audit purposes. If RPL is granted for the full qualification an original certificate and transcript of competencies will be mailed. The assessor's decision may include the outcome that some units qualify under RPL, some by Credit Transfer if prior study has occurred, or, new study may be required. If study of a unit is to be undertaken with NFI the fee is \$139 for online study or \$179 for online study with a printed manual provided. There is no GST component.

Fee Options

Application fee for RPL for the full qualification, or for more than 3 units, is \$695.

Application fee for RPL for 3 units, or less than 3 units, is \$139 per unit + \$120.

Application fee for RPL for a unit which is subsequently not approved and which study of that unit is to be undertaken, is \$139 per unit for online study

There is no GST. Fees are processed upon receipt of the RPL submission.
