RECOGNITION OF PRIOR LEARNING (RPL)

FNS50217 Diploma of Accounting

What is RPL

The National Finance Institute recognises the skills and knowledge gained through work experience and/or past study. With applicants' diverse backgrounds, sufficient experience and expertise may have been attained in the industry to exempt applicants from standard course requirements. The certificate issued by NFI is a nationally recognised qualification. Applicants for RPL must provide evidence that demonstrates competency in each unit of competency for the desired qualification. A combination of RPL, Credit Transfer and study units can be combined to attain the full qualification.

The Assessment Process

The documentation submitted by the applicant to NFI will be assessed against each unit of competency applied for. The evidence submitted will be assessed using the following criteria:

- Is the applicant's experience and study relevant to the qualification?
- Is the applicant's knowledge and skill current?
- Has the applicant's CV been verified as true and correct?
- Are the skills and knowledge level held by the applicant appropriate to the level of competency for which the applicant is applying?

The NFI assessor will then make one of three decisions:

- Accept the application and grant recognition
- Request further information because the assessor was unable to make a decision on the evidence provided
- Deny the application and recommend that further assessment or training is undertaken to achieve specific units of competence. The applicant will then be advised which subjects or assessments, if any, are required to be completed. See below for how this would affect fees.

What Will I Receive

The review will be undertaken within 2 to 4 weeks of submission and a subsequent decision or recommendation made. Documentation received by NFI will not be returned to the applicant as it is required to be retained for audit purposes. If the applicant is granted RPL for the full qualification they will receive by mail an original certificate and the transcript of competencies that form the qualification.

Fee / Payment information

Overleaf you will find your payment options. If RPL is not granted for the qualification, the cost of studying individual units from the qualification will be to the maximum fee payable for the full course fee. RPL may be comprised of RPL and proof of prior study ie. Credit Transfer (CT).

Examples: Assume applicant DOES already hold a Certificate IV in Bookkeeping/Accounting qualification or the required Skills Set pre-requisites.

- RPL fee paid of \$995, then:

Applicant 1 – RPL approved for full qualification by RPL/CT = no further payment required

Applicant 2 – RPL approved for 8 out of 11 units = 3 units require studying at \$205 per online unit

Applicant 3 – RPL approved for only 1 out of 11 units = 10 units require studying – as full online course study fee is \$2050, less the \$995 already paid, balance for studying 10 units online is just \$1055

Examples: Assume applicant DOES NOT already hold a Certificate IV in Bookkeeping/Accounting or the required Skills Set pre-requisites.

- RPL fee paid of \$995, then:

Applicant 1 – RPL approved for full qualification including 7 Skills Set units = no further payment required

Applicant 2 – RPL approved for 7 Skills Set units only = remaining Diploma units require studying at \$205 per online unit

Applicant 3 – RPL approved for only 4 out of 11 Diploma units = 7 Skills Set units + 7 Diploma level units require studying. As full package fee for Skills Set + Diploma course units study fee is \$2500 (for 17 units), less the \$995 already paid, balance for studying 13 units online is \$1505
